

Hieroglyph Font with Square Writing for the Web

So Miyagawa (Göttingen/Kyoto)
Marwan Kilani (Oxford)

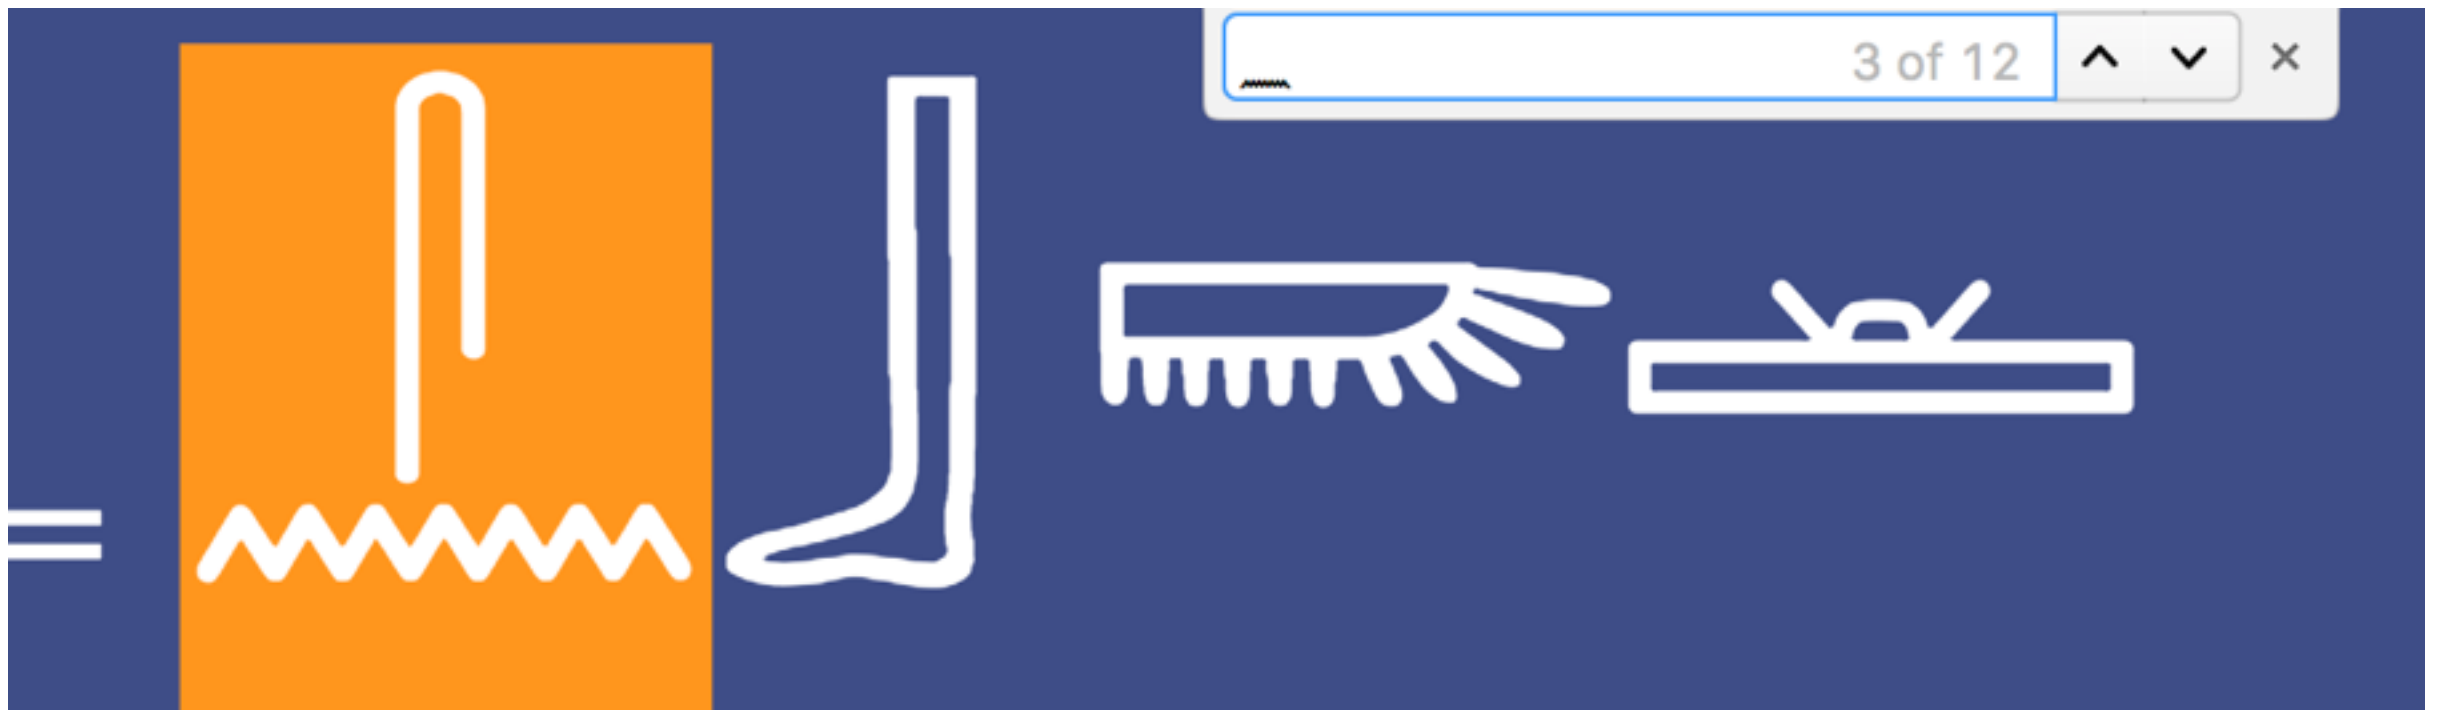

SINUHE WEB FONT

- **Unicode web font** which can display square writing
- Made for SINUHE the Hierotyper (<http://somyagawa.github.io/SINUHE-the-Hierotyper/>), based on Marwan Kilani's EgyptianHiero, which was made from Mark-Jan Nederhof's New Gardiner (<https://mjn.host.cs.st-andrews.ac.uk/egyptian/fonts/newgardiner.html>).
- Marwan Kilani modified New Gardiner and made it possible to display square writing. So Miyagawa made a web font based on Marwan Kilani's font called
- EgyptianHiero.
